THE WHITE HOUSE
WASHINGTON

April 11, 2025

Dear Dr. Labuschagne,

Thank you for taking the time to share your views regarding the need for efficiency and accountability in our Federal Government.

As President, one of my most urgent priorities is to end the reign of corruption and incompetence in Washington, D.C., and to restore a Government of, by, and for the American People.

Every 4 years, American citizens go to the ballot box to select leaders who will represent them in our Nation's great capital. Yet for far too long, an unelected fourth branch of Government has disregarded the will of voters, instead furthering its own interests and policy agenda—leaving American workers and families at the will of an unelected bureaucracy. American taxpayers deserve better.

That is why my Administration has spared no time in reclaiming our democracy and returning power back to the people. To counter inefficiency, misuse of taxpayer dollars, and unnecessary red tape, I issued an Executive Order on my first day in office establishing the Department of Government Efficiency (DOGE), which is dismantling excessive bureaucracy, cutting unnecessary spending, slashing excess regulations, and ensuring not a single American tax dollar goes to waste. My Administration has already saved the American people billions of dollars and is relentlessly working to restore discipline and responsibility to our broken system. Put simply, we are returning power from Washington to American communities.

Every day, my Administration is working tirelessly to expose the Deep State, break their grip on our Nation, and put the American People back in charge—and we are only getting started. American citizens deserve a Government that works for them, responds to their needs, advances their interests, and secures their Constitutional rights. Together, we will build a Government that is accountable, responsive, and dedicated to the citizens it was created to serve.

Thank you again for writing. May God bless you, and may He continue to bless the United States of America.

Sincerely,

A handwritten signature in black ink, appearing to be "Donald Trump", written in a cursive style.
